We Give Thanks

He who looks with pride upon this history which his fathers have written by their heroic deeds, who accepts with gratitude the inheritance which they have bequeathed to him, and who highly resolves to preserve this inheritance unimpaired and to pass it on to his descendants enlarged and enriched, is a true American, be his birthplace or his parentage what it may.

DEDICATION
IN MEMORIAM
OLICE WINTER

The Grim Reaper has taken our leader. Mr. Winter's passing has left us in deep sorrow. We appreciate having had the privilege of knowing so fine a man and of benefiting from his kindly philosophy of life. Olice Winter had implicit faith in youth and he devotedly served youth for many years because he felt impelled to do his part to offer every young person a chance to grow and to succeed. His insight into the peculiar problems of youth helped him solve many difficulties, for Mr. Winter understood human nature. Thousands of young people have been influenced by his kind guidance and inspired by his strong, magnetic personality. It is well known that his counsel and leadership were sought by many youth organizations throughout Chicago.

Mr. Winter's concept of democratic education was ever growing, vital, and progressively modern. He lived the philosophy that democratic privileges imply responsibility. To this ideal he devoted his life with unselfish zeal. Mr. Winter had long been noted for his brotherly attitude toward all men. His honesty, integrity, and broad outlook on life was always an inspiration to his associates. A true educator, Olice Winter gave generously of himself and in so doing he left our world a better, richer place.

In saying farewell to Olice Winter we mourn him best by becoming the men and women that he wanted us to be. Lake View is planning a permanent memorial to commemorate their departed friend. Olice Winter loved his world with the faith of a true idealist and his world in turn, loved and respected him as it is the privilege of few men to be revered. Olice Winter lives in the sanctuary of our hearts and minds. He is with the Immortals.

A Parting Guest

What delightful hosts are they—
Life and Love!
Lingeringly I turn away,
This hour, yet glad enough
They have not withheld from me

Their high hospitality.
So, with face lit with delight
And all gratitude, I stay
Yet to press their hands and say,
"Thanks.—So fine a time! Good night."
James Whitcomb Riley

Olice Winter

June 8, 1888 - March 23, 1948

Olice Winter was born in Poseyville, Indiana, June 8, 1888. His father died while he was very young. As Olice was the eldest child, he became his mother's indispensable helper. During these early years the lad walked a long distance to his grandfather's farm to get the milk, butter, cheese, and vegetables needed by the family. Olice always took his schooling seriously and had great pride in learning his lessons. In 1912 he was graduated from the University of Indiana. During his four years at the University he played on the football and basketball teams becoming the "best all-round back in the West." Mr. Winter worked his way through the University by serving as a waiter in the college dining-hall. He earned membership in the Phi Beta Kappa, Honorary Scholastic Society. While at the University he met his future wife, Freeda Mercer, of Brownstown, and they were married soon after graduation. He taught for two years at the Marion (Indiana) High School before becoming a Mathematics instructor at Harrison Technical High School, Chicago, in February, 1914. While at Harrison he was the football coach where he developed many fine athletes. Because of this success he became Assistant Principal, spending twelve worthwhile years at Harrison. Mr. Winter's promotion as principal of Whitney Elementary School came in October, 1925. In August, 1928 he was elevated to the principalship at Parker High School. It was on June 11, 1930 that he came to Lake View.

During these busy years he was rearing two children, William and Jean (now Mrs. Campbell). The tragic death of his son, William, at the age of twenty-two, in an automobile accident, was a shock from which Mr. Winter never recovered. But he turned his heart and mind to helping other boys and girls. Lake View and all the young people in it increasingly became his supreme interest. During the eighteen years that Lake View was his home, he gave his all to us. Mr. Winter was honored at an Olice Winter Night, April 18, 1947 when 1,500 friends assembled at a Parent Teachers' Association gathering to pay tribute to his remarkable service to the school and the community. This production was ably directed by our Miss Helen Kinsella.

Mr. Winter died March 23, 1948 at Wesley Memorial Hospital of a heart ailment. He is survived by his widow, Freeda, his daughter, Jean, two grandchildren, Bruce and Joan, and his brother, Doctor Matthew Winter of Indianapolis. A delegation of thirty-five students joined faculty and hundreds of former students and fellow-workers, including Superintendent Herold C. Hunt and leading administrators of the Chicago Schools, at the funeral rites, Thursday, March 25, at 4:00 P.M. Interment was at Brownstown, Indiana.

On April 2, 1948 a beautiful memorial service was presented in the school auditorium at which Assistant Principal Ildrem P. Daniel presided and spoke. Other speakers were Butler Laughlin, Assistant Superintendent in charge of High Schools, and G. Dana Henderson who was Assistant Principal for sixteen years during Mr. Winter's leadership at Lake View. An impressive pageant was presented by the Drama Class in cooperation with the R.O.T.C.

"We of the school system feel we have lost one of our most outstanding and truly progressive members with the untimely death of Olice Winter. He has left a lasting impression, I know, on hundreds and hundreds of Lake View students. I feel a personal loss as well, for even in our short association I was impressed with Mr. Winter's ability and was looking forward to a close association with him."

HEROLD C. HUNT
General Superintendent
Chicago Public Schools

Seated from left to right: Shirley Spak, Dr. Hunt, and Lee Kameron.

Dr. Hunt Stresses Democracy in Schools

Last September, Dr. Herold C. Hunt, a nationally recognized educational leader, became superintendent of the Chicago Public Schools. Dr. Hunt possesses wide and varied experience as a teacher and administrator. A native of Northville, Michigan, he obtained his education in the public schools and University of Michigan. In 1940 he received the degree of Doctor of Education at Teachers' College, Columbia University. He has been superintendent of schools in Kalamazoo, Michigan; New Rochelle, New York; and Kansas City, Missouri, a position he held prior to his Chicago appointment. Dr. Hunt is an active member of many educational organizations and is now President of the American Association of School Administrators. He is affiliated with civic and patriotic organizations which prove his interest in the community. His capability, genial personality, and sterling worth have created a favorable impression on all who have met our new superintendent. Lake View welcomes Dr. Hunt to Chicago.

We Honor

We give honor and tribute to the high ideals and personal achievement of our retiring faculty members, all of whom have made a lasting mark on our lives . . . and to all those who hold cherished memories of happy times spent in their classes. We, the Red and White Staff, give homage in this 1948 issue of the Annual.

MR. ARCHIBALD ALLISON

The many students and co-workers who have enjoyed knowing Archibald Allison during his thirty-three years of teaching mathematics at Lake View will regard any written tribute to this beloved teacher as inadequate and incomplete. Mr. Allison has enjoyed the highest regard and respect of all who have been associated with him. The "little man with the cane and big brief case" is distinguished by his understanding and tolerance. We regard Mr. Allison as a master craftsman in the field of education for he has earned the right to be called a teacher in the true sense of the word.

After graduating from Bucknell University, Mr. Allison taught mathematics in his home state—Pennsylvania. This was followed by two years of teaching in Iowa. His first work in Illinois was at Highland Park High School. It was there that he met his future wife who was then teaching Latin and English. The Allisons have one son and two grandchildren. Among Mr. Allison's distinguished pupils is General Mark Clark.

We of the Red and White Staff join all students and faculty members of Lake View in saying good-bye to this beloved teacher who so well deserves our affection and best wishes.

MR. JOHN E. COE

Mr. John E. Coe has taught botany and zoology at Lake View since 1928. One of the many reasons why he is such an excellent teacher is that the field of natural science is his hobby as well as his profession. Much of Mr. Coe's leisure time is spent afield and in the Forest Preserves. He has collected specimens in all parts of this country and Mexico. Mr. Coe has written articles for scientific magazines which are illustrated with his own photographs. Those fortunate pupils who have studied with Mr. Coe have been inspired by his knowledge and his enthusiasm for natural sciences.

FRIEDA A. TENGLER

The Red and White Staff join all Lake View in saying good-bye to Miss Tengler who has taught in the Chicago schools since 1916. Miss Tengler, who retired from teaching in June 1947, is a graduate of Lake View. She is beloved for her kind and understanding attitude.

Letters tell us of her delight in travel, reading, piano practice, cooking, and sewing. She anticipates acquiring a small home with an acre or two of ground in some scenic location in a mild climate. We hope this plan will be fully consummated, and that she will enjoy a happy time.

MRS. WINNIFRED V. SKINNER

Mrs. Winnifred V. Skinner, one of our popular commercial teachers, has been our school treasurer for several years. She handles all collections and disbursements for the entire school. Along with her varied educational duties she has also been a homemaker. Mr. Skinner, who is a retired physics teacher of Senn High School, shares his wife's interest in extensive travel, color photography, and farming. The Skinners have taken many rare photographic color films in Europe and America. They plan to spend most of the year on their Iowa farm, which is beautifully located on high ground overlooking the Mississippi River. Florida will be their location during the winter. Although it is very hard for us to say good-bye to this well-liked teacher, we know that her plans offer every inducement for happiness in the future.

MISS GENEVIEVE SOUTHER

Miss Souther is one of the capable Lake View faculty of which we are so justly proud. Although she has long been an inspiring teacher of the Classics, in the study of which she attained distinction, Miss Souther has also offered us an example of public spirited service and leadership at Lake View. She has given ready and enthusiastic support to all those activities which are just, true, and good.

Miss Souther was born in Wisconsin near the beautiful Dells, and she taught there for awhile before coming to Chicago. She spends her summers amid the natural wonders of lakes, waterfalls, woods, birds, and wild flowers which she loves. Although she is an enthusiastic contract bridge player and enjoys playing this game with her many friends, her chief source of joy is in the great out-of-doors. We regret to say farewell this June, 1948 to Miss Souther.

MR. RUDOLPH C. MUELLER

Mr. Rudolph C. Mueller, our well-liked teacher of Industrial Arts, is retiring in June. He is a native Chicagoan; was graduated from Yankton College, South Dakota, and the Chicago Theological Seminary.

Mr. Mueller was assigned to teach in Chicago Schools in 1930 and has been on the staff at Lake View for the past five years. Previous to 1930 he held various positions of school administration in North Dakota, and at Harvey, Illinois and Forest Park, Illinois. As he is a talented wood craftsman, his hobby is fine cabinet designing and workmanship. Mr. Mueller is looking forward to happy days when he retires to live in Arizona. He holds our highest regard, and our best wishes will always follow him.

MISS LOUISE KEEFE

Miss Louise Keefe left Lake View in February 1948 after a long and fine record in the teaching of History and Civics. Miss Keefe, who is a thorough student of political science, always enlivened her teaching with interesting information gained during her extensive travel. She encouraged the discussion of contemporary world affairs in her classes. As Miss Keefe is blessed with a fine sense of humor her many pupils have enjoyed her vital leadership. We, of the Red and White Staff, extend our best wishes and hope that Miss Keefe will long enjoy life in sunny California where she has decided to make her permanent home.

In Memoriam

Mary Margaret Brown

Lake View mourns the death of Mrs. Mary Margaret Brown on April 11, 1948. Mrs. Brown served as our Registrar for several years. She won a place in the hearts of all who worked with her and she was well liked by the students whom she served. Mrs. Brown will be greatly missed by all at Lake View High School.

In Memoriam

Margaret F. Martin

Any written tribute to the late Margaret F. Martin, our beloved teacher of Home Economics at the Greeley Branch for many years, is inadequate. The real tribute to her memory lies within the hearts of her friends, students and co-workers. Because of her kindness, wit, sympathy, and understanding, she was a friend to all and the memory of her pleasant ways is fondly cherished.

Congratulations!

THREE OF LAKE VIEW FACULTY RECEIVE PROMOTIONS TO PRINCIPALSHIPS, MAY '48

Mrs. Marjorie F. Mills - Mr. John H. Beckerman - Mr. William E. Block

Mrs. Marjorie F. Mills has taught Home Economics and General Science at Lake View since 1932. After extensive study in the fields of psychology and guidance at Northwestern University, where she received her Master's degree, Mrs. Mills became counselor for younger students at Lake View. From the time of her first assignment in 1930 to the Cregier Junior High School, she has progressively reached for higher service goals. Although we regret to have her leave Lake View, we realize how well she deserves promotion to the principalship of Reilly Elementary School, 3650 W. School Street.

Mr. John H. Beckerman, our beloved 4B Sponsor, and acting assistant principal, has been promoted to be principal of the Ebinger Elementary School, 7350 Pratt Avenue in the Edison Park District. Mr. Beckerman was Sponsor of the Senate and in charge of Office Practice in the Main Office. He has been a popular teacher of Civics and History for twelve years at Lake View. Mr. Beckerman, an accomplished musician, is the first flutist in the Business Men's Symphony of Chicago. Mr. Beckerman served in the Navy for two years. He has a very modest and kindly nature and his only boast is about his lovely family of two girls and a boy.

Our well liked Science and Mathematics teacher, Mr. William E. Block was assigned in the Chicago Schools in 1938. He is a native Chicagoan; a graduate of Senn High School, 1930. Mr. Block received his B.S. degree from Northwestern University at the age of twenty, later receiving his Master's degree in Education at the University of Chicago in 1946. During the six years that Mr. Block has taught at Lake View he has made many friends, none of whom appreciate him more than the Staff of the Red and White. Mr. Block has been Business Sponsor for the Annual for the past two years. Now he has been promoted to the Principalship of the Waters Elementary School, Campbell and Wilson Avenues.

PROMOTED

Mr. J. P. Alvir, our Spanish and History teacher, is leaving Lake View to direct the work of the Board of Education Veteran Testing Department. This is an all-year job for which Mr. Alvir is well qualified. Mr. Alvir was sponsor of the Clean-Up Committee and his tireless efforts in the "Mopping Man" Contest brought it success. We hope Mr. Alvir will someday return to Lake View.

Miss M. Ruth Krause, Lake View's much appreciated teacher of Foods since 1944, has been promoted to be Supervisor of Home Economics, May, 1948. Miss Krause is well prepared for this position as she has taught Household Arts in the elementary, junior high, and senior high schools of Chicago. She has a Master's degree in Home Economics from Northwestern University. Miss Krause's many friends wish her the best of luck and happiness in her new position.

That Diplomatic Touch

Mr. Harry C. McKinzie, District Superintendent; Miss Marie LaFrenier, Secretary; Patricia Kova; Marilyn Blomgren.

Mr. Harry C. McKinsie, our high school superintendent of district number two, maintains his office in Lake View. All the schools of this area are under Mr. McKinsie's direction. Lake View regards him as a true friend and is proud to have him among its administrators.

This able school-man sets a worthy example to all our young people for he worked his way through the University of Indiana by teaching there during the summer sessions.

His chief leisure time hobby is the making of electrical gadgets. Mr. McKinsie enjoys music and art though he can't see eye to eye with so-called "modern art." His pleasant, relaxed manner makes for popularity with both students and faculty.

Mr. Boyd,

We Welcome and Greet You

Our faculty, students and community join in cordially welcoming Mr. J. Trimble Boyd to the principalship of Lake View High School. Mr. Boyd is an active and successful educator who began teaching in the Chicago school system thirty-one years ago. In 1932 he was assigned to teach at Lindblom High School and in 1935 began service at Washburne High School. In 1939 he was promoted to be principal of La Salle Elementary School; becoming principal of Fenger High School in 1943. Mr. Boyd began his present work as principal of Lake View High School on May 3, 1948. It is with sincere best wishes that we welcome Mr. Boyd to Lake View. We feel grateful and fortunate in his appointment. We hope he will like us as well as we like him.

United They Build New Horizons

*"I know you now, eternal dawn of Opportunity
for I am Youth and You, Democracy."*

Mr. Ildrem P. Daniel, who co-stars as our assistant principal, has won our friendship by his helpful counsel. His dependability and affability through the days of hard work have brought him the love and respect of our entire school.

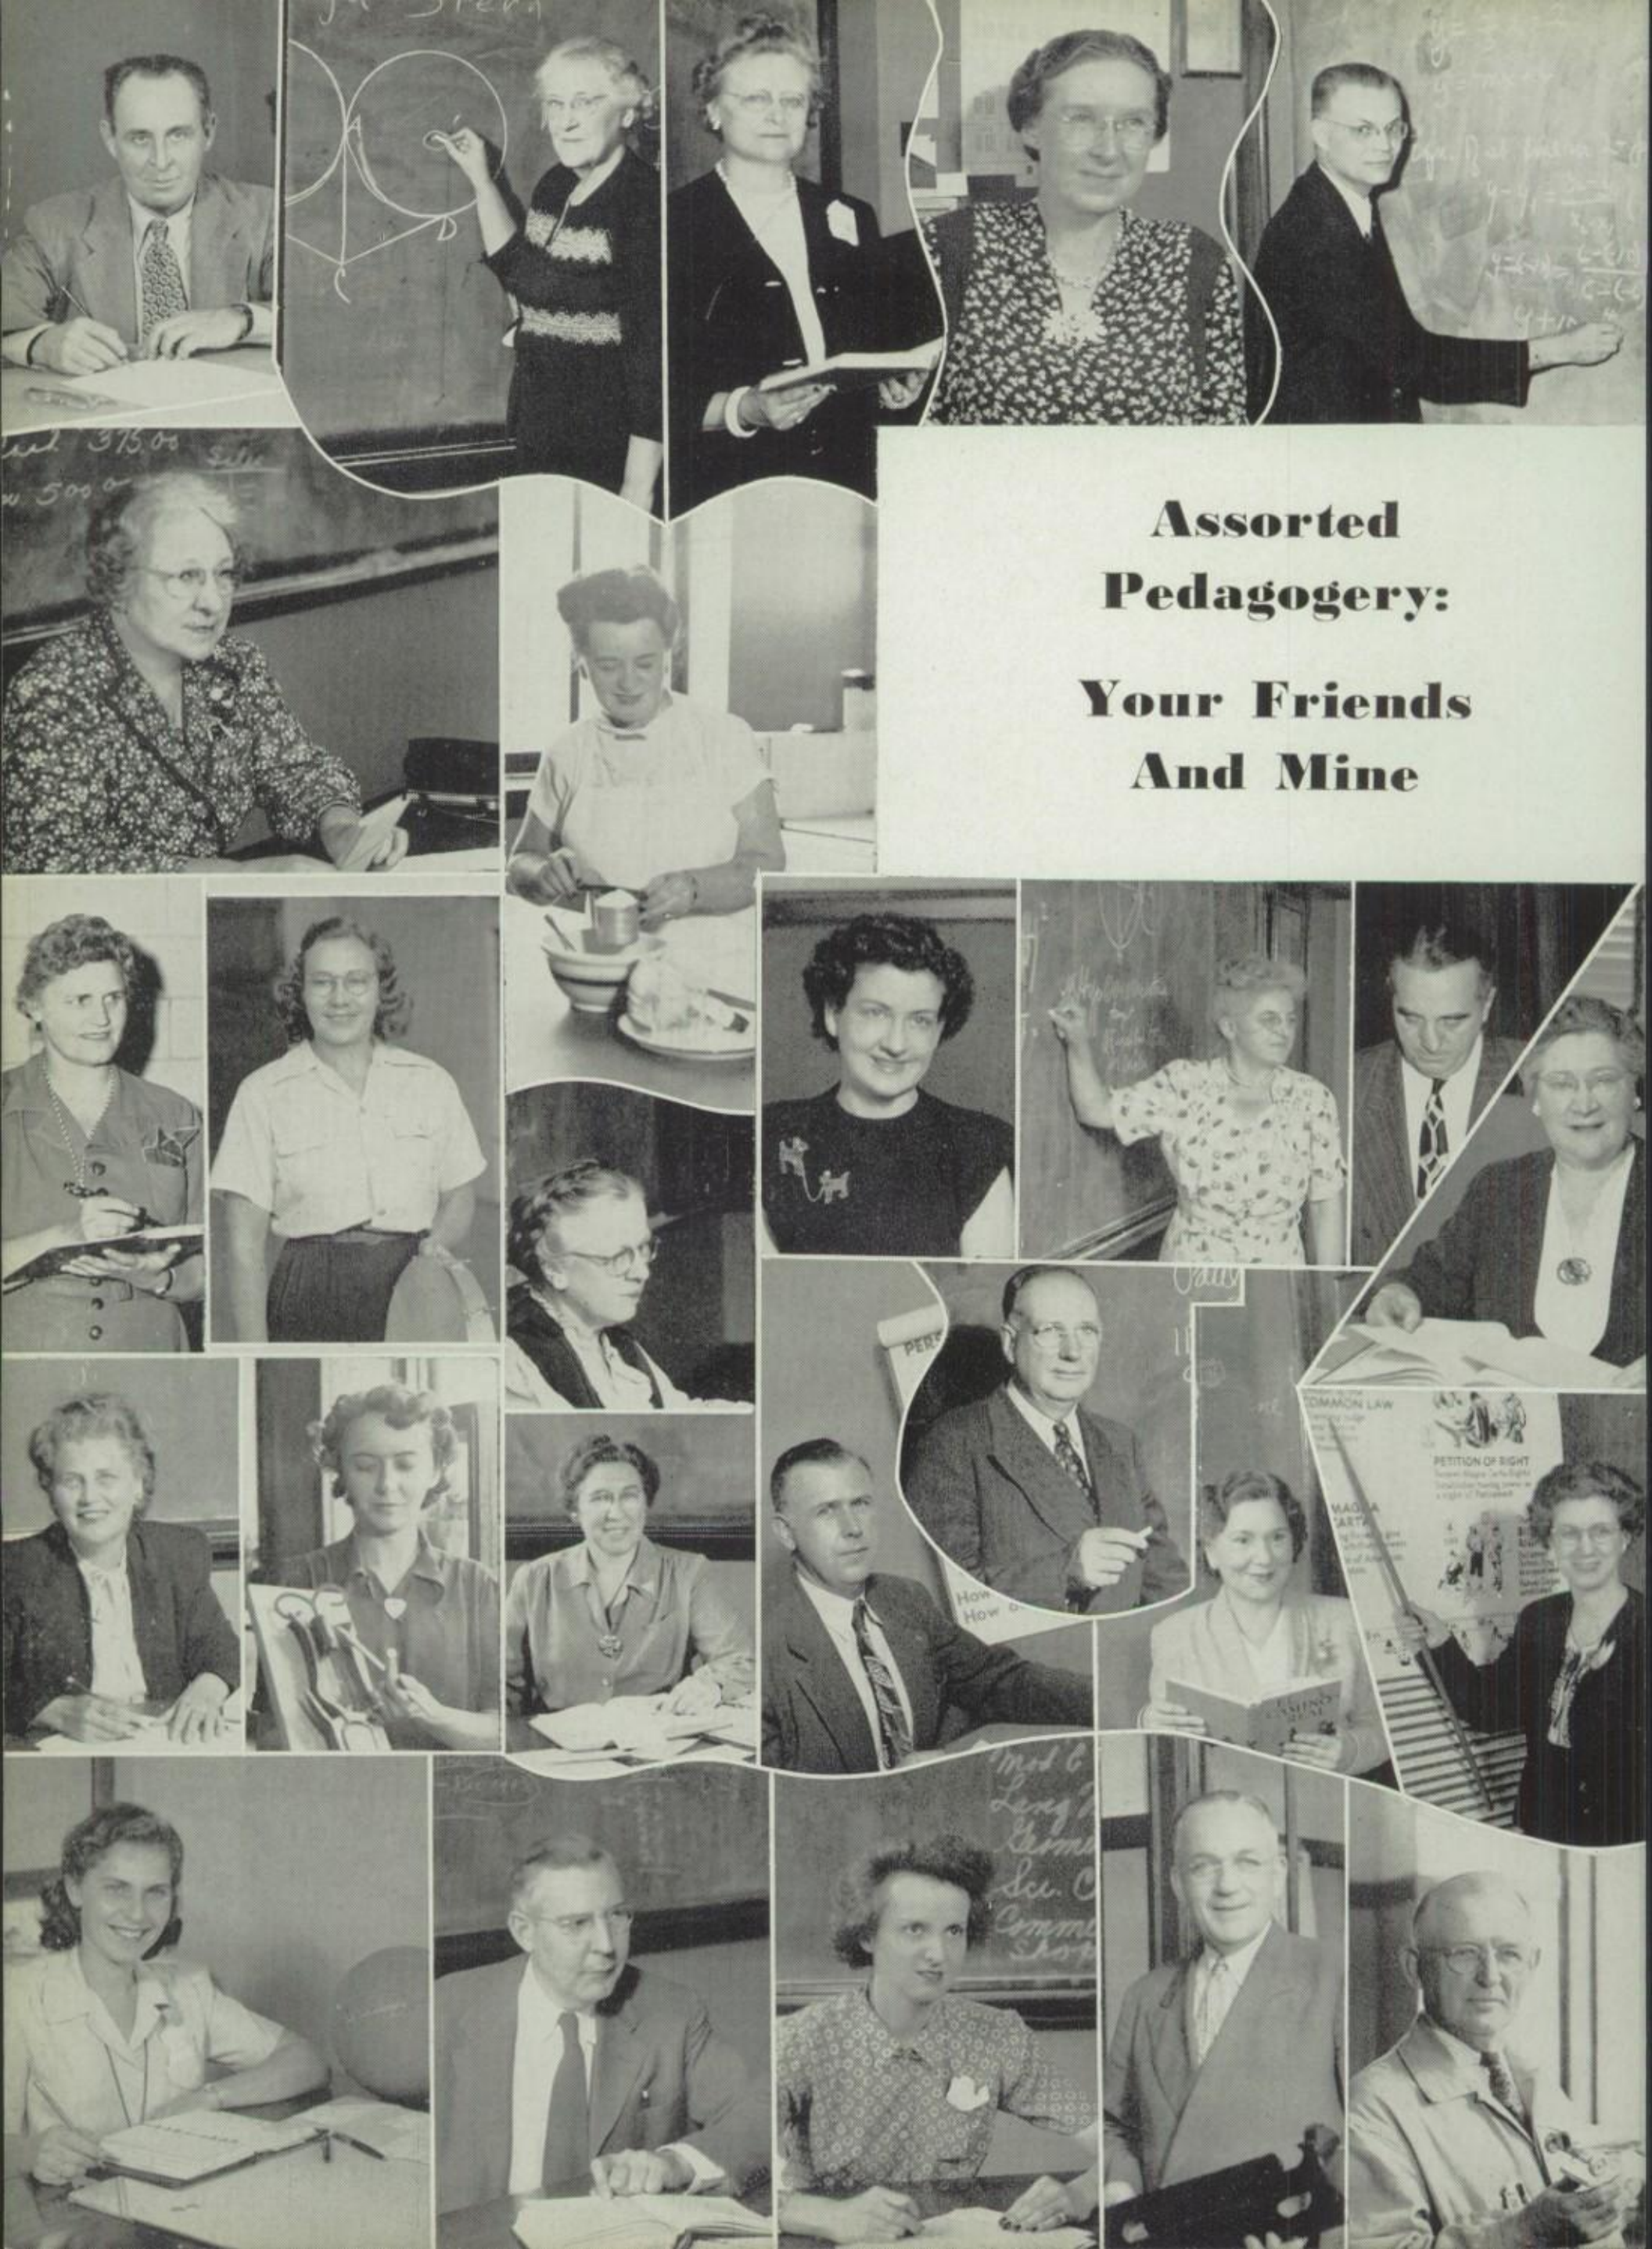

MISS MARGARET F. MURPHY

She Guides Our Freshmen

A good start and half a job is done. This might be the motto of Miss Murphy, Assistant Principal at the Greeley Branch, for her efforts on behalf of Lake View "Freshies" justifies the association of these words with her. Because of her patience and complete understanding it is easy to confide in her.

A Democracy i

a society in which all its members have a genuine share

Democracy extends to us its precious ring of keys, an "open sesame" to the wide gates of beautiful living. It is for us to fit the varied keys of opportunity into the locks which stand between us and the realization of our ideals.

SCIENCE

Angiosperms and Bryophytes,
Gymnosperms and Spermalophytes—

Think nothing at all of similar terms.

We, the Youth of America, represent an integrel part in our Democracy

There is much to explore when you study birds, insects, animal life or geography. Man can learn from the colonizing insects who live in perfect harmony. Science offers the student a glimpse into a new world by revealing nature's secrets. Mr. John E. Coe's students enjoy the interesting truths which this inspiring teacher reveals regarding the wonders of natural phenomena.

Mr. John Beckerman teaches us about the Democratic values of life.

R.O.T.C.

These boys do more than exhibit medals on their manly chests in our R.O.T.C. training corps. They learn not only to be efficient soldiers, but also to be good citizens.

Dancing in the R.O. room has begun this semester—during all three lunch periods. The admission is 5c. The R.O. room is open for dancing on Wednesdays and Fridays only and will continue to be until June. Members of the Commission are in charge and new records are available for your dancing pleasure.

An Invitation to Interesting Activities

Our girls become experts in setting a table, preparing a dinner and serving gracefully.

Our shop courses provide a Democratic Fellowship which denotes togetherness of fellows who learn manipulative hand skills.

Our physics students inquire, "What is the Speed of Light?"

Our Lunch Room: Hot Lunch Extends a Welcome

Mrs. Edythe Hoffman is the able director of our fine lunchroom. She sees to it that we get a real dose of different vitamins to keep us from being droopy.

COMMENCEMENT

The Long and Short of Graduation

STORY OF THE LAST DAY OF A SENIOR

He felt a little sad, . . . wondering—yet glad. All of a sudden he had become a Senior. It's his last day, "Good-by, Lake View, good-by." He stared out of the window. Traffic was going by the school. "It sure will seem funny," he mused, "being entirely out in the world." The sounds of many footsteps hurrying, awoke him from his reverie for the last classes were spilling into the corridors. He wanted to forget it was his *Last Day*. He felt he would never be a kid again.

Seniors Parade They Are Ready to Serve

A modern concept of Democracy must develop to meet the realities of our Atomic Age, for the impact of the split atom on all phases of life cannot be escaped. We must focus a double microscope of philosophy on the world's future and let democratic principles integrate humanity. Decisions of today will set a pattern for the future and our only hope of survival lies in the working out of democratic ideals which shall enlighten and harmonize the world.

Commencement Laurels

Miss Irmagarde B. Leach, our Senior Sponsor, has not only proved herself to be a very able administrator but she always has the best interests of her students at heart. It is Miss Leach who rehearses our Senior Parade . . . that slow file of cap and gowned grads . . . our graduation exercise after four years of work. We will thrill at receiving our diplomas and the congratulations of friends . . . but what is ahead? The world lies unexplored and unconquered before us.

CADET HOP

"Me and My Gal"

Lake View's leading social event of the year was The Annual 1947 R.O.T.C. Cadet Hop held in the Ballroom of the Knickerbocker Hotel, December 26th. An enthusiastic crowd witnessed the crowning of our beautiful blonde queen, Joyce Klang. She was attended by a radiant Court of Honor—First Lady-in-waiting, Rosetta Behrens; Second Lady-in-waiting, Jeanne Plath; Third Lady-in-waiting, Patricia Dingle; Fourth Lady-in-waiting, Gretchen Beich. This glamorous Cadet Hop will long be remembered. It combined grace and charm symbolic of today's "New Look," for silks and satins, formal dress, officer's uniforms were all enhanced by smiling faces, and an array of varied colors and flowers. It was a great night for Lake View. The R.O.T.C. Hop committee is to be congratulated for its fine management of this successful large social function.

HONOR SOCIETY OFFICERS

1st Semester

H. Hunsinger—President
M. Streicker—Vice President
H. Schlesinger—Secretary

These pupils have received real dividends from their study. Of course they were smart enough to start working way back in 1944. As members of the Honor Society they proudly wear Honor Pins. A bronze pin is awarded after one semester of high marks; a silver represents four semesters of superior grades; and a gold is the reward for six semesters of excellent work. The Honor Society has offered to assist and coach Lake Viewites who need help.

Youth Week Assembly

SYMPOSIUM - SPEAKERS

J. Everg—Herald American
S. John Daly—Tribune
J. Supple—Sun
H. Fischmann—Times

Our teen-agers heard experts from various Chicago daily papers discuss the special problems of this age group. They graciously answered questions which were presented by individuals in the assembly. Questions concerned "Dating," "Going Steady," "Fashions," "Games," and "Tolerance."

Lake View Chalks Up Victory

February commencement speakers talked on the theme "World Unity." Our salutatorian, Helen Schlesinger, discussed "Unity Through Education." She envisioned the values which education offers in this era. Our valedictorian, Helen Hunsinger spoke on "Unity Through Religion." She emphasized a realization of better living through the values of religion, faith and devotion to higher realities. Stanton Weiner, class choice for speaker, developed the topic "Unity Through Science," by emphasizing peace time uses of atomic energy. Sylvan Lipschultz, faculty choice for speaker, talked on "Unity Through International Relations."

Lake View Yule Parties for Settlement Children

Our traditional Christmas party given annually for the children of the Hays School is ably directed by Miss Irmagarde B. Leach and special Senior Service assistants. The event provides sparkling gaiety, of this happy season, for many underprivileged youngsters.

Special Senior Service girls helping Miss Leach plan the Christmas party at the Hays School.

Senior Luncheon: Something to Talk About

**and Something to Celebrate
[take your manners, too]**

The Big Six of June 1948

The results of the first election of the Senior Class are as follows: President, Clarence Toepke; Vice-President, a tie between Dorothy Jones and Edith Lasse; Secretary, a tie between Alma Dorner and Joan Linder; Treasurer, Dan Remahl; Sergeant-at-arms, a tie between Ronald Gutierrez and William Heath. In the second election Edith Lasse became Vice-President; Joan Linder, Secretary; and Ronald Gutierrez and William Heath became Sergeants-at-arms after another tie vote.

THE CLASSES

DEMOCRACY LOOKS FORWARD

Democracy means tolerance. Democracy means opportunity. Democracy is not easy for individuals, groups, or a nation. It requires training and plenty of practice. We must be willing to accept our share of responsibility and make sure that freedom is appreciated by everyone. We give thanks for the enlargement of experience which is attained in our high school classes.

GREELEY BRANCH

*Greeley Branch is nice and
friendly*

You know most every one.

The teachers are so friendly -

Your home work's almost fun.

But then some day you'll find

*The Branch no more's your
home.*

*And to the "main" your way
you'll wind*

From there no more to roam.

To Their Splendid Musicianship

Violins play
Sweetly the strain
Cellos gently
Repeat the refrain
A clash of cymbals
A rumble of the drum
When the Orchestra ceases
A climax is won!

CONCERT ORCHESTRA

Curtain rises—Lights dim—Our beloved maestro raises his baton. The audience is at attention. Our Mr. Letchinger, Lake View's "smiling" conductor, waves his magic wand to produce a fairyland of music. The repertoire of the concert orchestra includes both the old and new composers—Bach, Beethoven, DeBussy, and Stravinsky. Orchestra contests, festivals, assemblies, and concerts provide many opportunities for Lake View's orchestra to render memorable programs.

MR. IRVING LETCHINGER

Our Concert Band, enlarged and seasoned by years of training under the skillful leadership of Captain Louis D. Walz, reached a grand climax in this year's spring concert.

Concert Band

Lake Viewites wish that the song, "The Band Played On" could be realized by our Concert Band, for we just can't hear enough of that wonderful music. We love the spirited marches and those lively touch-down-tunes which make every school event so thrilling. The Band has rated "high" for both solo and ensemble numbers and has produced such outstanding players as Jack Scarda, trumpeter; Marshall Gordan, clarinetist, and others. The 1947-48 season will add to past laurels. The zealous efforts of our well-liked conductor have brought grand results, for our beloved "Cap" has trained one of the best bands in Chicago. Yes, Captain Louis D. Walz cannot be praised enough for he has helped to make us real musicians. Our Concert Band, which consists of ninety members, creates joy for us all in old Lake View.

Our Springtime Favorites

A CAPPELLA CHOIR

The A Cappella Choir is an active and flourishing organization in which membership is determined by the try-out system. This choice choir presents varied programs containing Latin Motetes, Bach Chorales, Russian Folk Songs, Negro Spirituals as well as modern compositions. It has participated in radio broadcasts, assemblies, and concerts. Just before the Christmas Holidays our choir set the corridors on every floor of Lake View ringing with lilting Christmas Carols. The highlights of the year are the festivals. Under the capable leadership of Miss Naomi Sweet, the choir furnishes our music-loving school and community with memorable musical treats. Miss Sweet has developed a choir which fills a unique and valuable place and has established a tradition at Lake View.

Help Make Our School Happy

Song Birds – Our Girls Can Sing!

The Girls' Glee Club interprets for us the wonderful benefits received from participation in music. This music-making organization which was founded by its inspiring leader, Miss Dorothy Hutchins, sings with color, richness, and zest. Music offers an ideal form of self-expression, for it is an emotional outlet, and an enjoyable use of leisure. When our girls raise their voices in "Sweet Kentucky Babe," we all rejoice with them.

The Annual Concert in May brought to a successful climax a grand year of singing. Quartets and trios organized for the sheer enjoyment of "Singing Something"—making music together, in numerous ensembles, remain memory-entrenched with us all.

Meet the Winners!

Dorothy Jones, a petite blonde, was given the title "Miss Lake View High School" at the Talent Show on January 23. Her attendants were Beverly Halonen and Joyce Klang. This contest which is open to all junior and senior girls had twenty contestants. The lucky winner was awarded a scholarship to the Estelle Compton Modeling School, a life subscription to the Collegiate Magazine, as well as personal photographs.

The winner of the cooking contest was Dolores Oberg. She received a tuition ticket for the Pope Cooking School. The radio award was given to Michell Cotter.

ADJUSTMENT SERVICE

Democratic ideals offer the only real hope for the future of mankind. The principles of true democracy require that all individuals willingly do their part to create equal opportunities, tolerance, and freedom for all. Modern education is part of the larger stream of democratic thought.

The progressive school believes, "Here is a human being. He has latent interests and talents. We must help him to discover what they are so that he will want what our school has to offer him.

Psychology has established its claim to being a science and has forced recognition of individual differences into every phase of human activity in our democracy.

Lake View's capable personnel service is directed by Miss Phyllis Kreis whose ability and inspiration has created a valuable link between faculty, students and parents.

Democracy Means Freedom: Democracy Means Self Government

Your Commish First Semester Portfolio Favorites

Your Commish represents Lake View's choice of popular and capable students who were entrusted with the guidance of their school's destiny for five months. Remember the grand time they gave us at the "Holly Hop" which provided funds for a key machine to make keys for the school? The helpful C.A.R.E. packages we sent to Europe's starving children were sponsored by your Commish.

APPLAUSE AWAITS YOUR ARRIVAL

Everyone on the Lake reView staff enjoys scurrying for news—all the clamor and bustle—and that final thrill of achievement when "putting the paper to bed" (going to press). This experience gives us training for newspaper work. Under the high-spirited direction of Mr. Louis Skolnick, the editors, reporters, distributors, and business staff strive to make our every edition full of stories, gossip, and all the news connected with school life. The paper sponsored a worthwhile assembly featuring a symposium of newspaper columnists who discussed youth problems. Jean Everz of the Herald American, Shiela John Daly from the Tribune, James Supple of the Sun, and Harve Fischmann of the Times held our interest from the first to the final minute. They had what it takes to hold a crowd of Lake Viewites!

The Red and White Terminates a Successful Year

Mrs. Katharine Burchwood who has sponsored the Red and White for two years has long been a teacher of Art and English at Lake View. The 1948 Year Book Staff members have been praised by Mrs. Burchwood for their faithful work. The Staff, in turn, claims that she inspires each to do his best. We thank Mrs. Burchwood for her help and guidance as our Sponsor. Her kindness reached out to all of us. Charming and generous, she has kept herself alive. We know that it hasn't been an accident. She cares—and she has taken care.

The Annual Staff appreciates that the financial success of the 1948 Year Book was largely due to the fine efforts of Miss Grace A. King our advertising sponsor. Her dynamic personality and unique capacity in advertising and selling the book as well as her leadership in securing paid advertisements has been the principal source of financing the Red and White.

Miss King taught Salesmanship at Harrison High School for sixteen years. Mr. Winter had known her outstanding work there and he asked her to come to Lake View in 1944. We thank Miss King for her guidance and support of this vital part of our Annual.

Eager Minds Accept the Challenge

"What does the Red and White Advertising Staff do?" asks the verdant freshman.

"Oh, not much," answered a seasoned senior, "they just manage the selling end of the publication, that's all." handled."

"Sure. Drop in room 304 sometime and see how a really big school job is handled."

Our literary staff members are selected for their ability and interest in writing. We learn how to make up the "Dummy" of the Year Book and we know how to check and double check. We feel that there is something about Lake View which makes her different from any other high school. This "something," lying deep inside her, is what the Red and White Staff has tried to capture and record in your annual. We have aimed to give the book a friendly informality and we hope our readers enjoy it. May these pages recall cherished memories of your school days! Our staff has worked under ideal conditions, for our sponsor, Mrs. Burchwood, has inspired us to do our best.

Democracy Requires That You Learn to Accept Responsibility

Students can take advantage of many opportunities at Lake View for office practice. Mr. Edward J. Bowen shows you how to inject vitamins into your methods. He can add a shot of parliamentary procedure to fix things. Mrs. Skinner, our school treasurer, helps her staff master the intricacies of high finance.

Mother Can Show Us a Thing or Two Mother Has Her Moments Too

Our Lake View P.T.A., which boasts a membership of 1620, is one of the largest in Illinois. It is not only strong in members but it accomplishes fine work for our school. Mrs. Martin Schwegel, '47-'48 President, and her loyal helpers have given us enthusiastic support and help. The objective of the P.T.A. is to bring a closer relation between the home and the school so that parents and teachers may better co-operate in the training of boys and girls. Much material assistance has been rendered the school and the P.T.A. is to be complimented for it. At the Open House on Nov. 14, President Clark Kuebler of Ripon College, a graduate of Lake View, Class of '25, gave an inspiring address. Many pleasant social meetings are enjoyed, and every get-together offers an opportunity for friendly contacts. A cup of coffee or tea with cake and sandwiches suffices to "break the ice." We extend our thanks and gratitude to our wonderful P.T.A.

Under the supervision of their advisors, and well-chosen officers, the girls are assured of a full program each semester. The "Y" Teens enjoy socials, splash parties, and various tours. From time to time, interesting guest speakers enliven their meetings, by furnishing excellent information on various subjects ranging from personal topics such as "dating" to the discussion of world problems.

Tri-Hi-Y

The purpose of the Tri-Hi-Y is to create, maintain, and extend high standards of Christian character in the home, school, and community. Our Lake View chapters have their meetings and socials at the Lincoln-Belmont and Wilson "Y's." The Tri-Hi-Y has discovered a sure way to help its members grow in cultural, spiritual, and physical well-being. HI-Y

The Hi-Y boys realize the worthy purpose of membership in this great organization: its ideals are the highest standards of conduct and character. It is the earnest hope of the officers that the club will expand and include many more students so that they may profit by the moral and Christian training of the Hi-Y program. Friendships we make in our school offer an opportunity to test our loyalty, consideration, and appreciation for others. We learn to be "True Blue" and to always lend a helping hand to our friends.

RED AND WHITE CLUB

The Red and White Club is a new and active group of Lake View boys who banded together to uphold the ideals of true friendship and worthy service. These boys are leading participants in sports at Lake View and they represent the type of boys who can be relied upon to always serve their school to the best of their ability.

HI-CRUSADERS

Each Tuesday evening this lively group of young people enjoy its meetings. The ideals of "Hi-C" are to uphold high Christian character and give its members the joys of Christian fellowship. This is accomplished through meetings, parties, and outings. Membership is open to all who sincerely believe in "Hi-C" ideals. Gordon Palmer is the president; Mr. Earl Solem is the enthusiastic sponsor.

FORUM

Everyday we hear news, but of what importance is it? Every Thursday morning an alert group of students meets to discuss the current economic and political problems of national and international interest and to discover the significance of these events. Through movies, special speakers, and debates they get at the heart of the news and understand the world in which they live. These promising civic leaders of the future received real benefit from the Forum meetings. This club is sponsored by Miss Florence Gumbiner.

VISUAL EDUCATION

Our modern educational methods make liberal use of visual aids. Mr. Francis J. McCracken directs this efficient department and his staff of boys furnish a real service by caring for and adjusting all visual equipment according to a schedule planned to best meet the needs of the school. Our film library contains some new color reels of special interest.

Ahoy! Every Friday afternoon during the 10th period the Sodalitas Latina, with Miss Genevieve Souther at the helm, sets sail for another period of fun and enjoyment. This enthusiastic crew receives interesting knowledge of the language of Caesar, Cicero, and Vergil. Roman games and Latin songs are enjoyed. The club sponsors a Roman banquet, at which unique food is served. The revelers wear sweeping togas, sandals, and wreaths of green are perched precariously on their heads. An interesting guest speaker, who is a leading classical scholar, makes this a memorable occasion. Our Greeley Latin students, under the guidance of Mrs. Caroline Pfingst, furnish the slaves who are appropriately dressed in sack-cloth. Besides other highlights of the season there is the Ludi Romani, a game festival which is enjoyed by all. Ronald Strom is the editor of "The Roman Herald," our Latin newspaper.

SPANISH LOYALISTS

*If you're a Spanish student and looking for some fun,
Your search ends at Spanish Club before it has begun.
They only speak in Spanish, but then you can't complain,
For a little imagination takes you right to Spain.*

Our alert group appreciates learning about Spanish speaking countries such as Guatemala, Peru, and Mexico and is interested in their customs. Miss Ethel Taurog, our sponsor, helps us plan unusual programs which emphasize the good neighbor policy. The Spanish newspaper we publish is "Un Poco de Todo."

Did you know that your Red and White is in a large measure dependent upon the support of this able Advertising Class? These boys and girls under the enthusiastic guidance of Miss Grace King sell advertising space in the Annual to Chicago business concerns. The practical experience of meeting the needs of business men is worth while. The Sales Class writes the advertisements in as interesting a way as possible. Then they accompany the photographer who helps in the achievement of a beautiful and effective ad. The loyal support of our advertisers combined with the energetic efforts of this Sales Class have done much to finance your Red and White. Let's give our live-wire Sales Class a Hand!

Plenty of Drive

Mrs. Dorothy Fisler and her able Book Room staff have the responsibility of sorting, cataloguing, and distributing our text books. The cooperation and teamwork of these workers enables us to have prompt and accurate service in dealing with the loss of books and with new book orders for class use. Our books are kept in the best condition under Mrs. Fisler's good management.

ARMISTICE PAGEANT

This dignified and fitting tribute to our heroic dead presented on Armistice Day brought us soul satisfaction and inspired deep reflective thinking. The center of the strikingly beautiful pageant-spectacle was the Goddess of Peace (G. Carlson), who presided with solemnity, dignity and grace while receiving the homage of six angels (P. Garber, E. Elwood, M. Aredo, J. Gorman, D. Neith, L. Chandler). Two vocal solos by Paul Opperman contributed to the fine program. The presence of Spanish-American War Veterans, including "our own" Capt. Andrews also brought enhanced realizations.

Lake View is proud of its grand R.O.T.C. which has held an honor rating at the annual inspection of the Sixth Corps Area for twenty-five years. Our unit under command of Sgt. Stephan A. Duttko, and Sgt. Cihos, enjoys the full cooperation of willing cadets, who help our school in every possible way. The unit, therefore, has earned a fine reputation in the school and community.

The R.O.T.C. cadets are depended upon for dignified service at assemblies where they Present the Colors; serve as ushers and guards; plan the Armistice and Memorial Day assemblies; and the Annual Cadet Hop, which is our largest social affair of the school year.

ATHLETICS

A HANDS DOWN WINNER IS A THUMBS UP GUY

Democracy, like sportsmanship, means differences of opinion. It means taking sides and playing to win instead of merely following the leader. It means friendly discussion and argument instead of just accepting what somebody else says. We must be willing to take the trouble to govern ourselves.

Varsity and Frosh-Soph Teams

FRESHMEN - SOPHOMORE FOOTBALL By BILL HEATH

The purpose of the Frosh-Soph football team is to build varsity team material for the next season. Experience which a player thus obtains is invaluable and a great asset in playing Varsity football. A member of this group learns to train and to work hard to reach top physical condition, which is absolutely necessary to play good football.

Although this year's team lost three games against a single victory, the margin of victory was never more than twelve points, which proves that the boys were battling all the way. Seventeen members of this year's squad received awards for their fine play. These players will be counted on heavily by the Varsity next season. Veteran Varsity players know that boys who come up from the Frosh-Soph team are hustlers and have the will to win, which means that they have to hold their positions. Under the excellent coaching of Mr. Leo Conahan, the boys learn the essentials of football play.

Boys awarded shields this year are: Paulson, Alinkas, Eklof, Fagus, Hallberg, Katsivas, Martin, Nuccio, Parsons, Peterson, Reffke, Singer, Smith, Swanson, Welch, and Garbo.

Good Luck next season, fellows!

Our senior football team under the able direction of Coach Harry G. Frieda did some fine playing during the season. Our games furnished us with many thrills. Mr. Leo Conahan also did a fine job during the past year by his training of the beginners. Mr. Conahan has orientated these boys to the games. They all worked hard and the effects of their enthusiasm and effort can be counted upon when the new team assembles next autumn. Boys, we are counting on you!

FOOTBALL BANQUET By Bill Heath

Lake View's first annual Football Banquet was held in our cafeteria, Wednesday evening, January 14th. Fine food was prepared by the cafeteria, served by Lake View girls and eaten heartily by the many athletes, faculty members and guests. After the dinner of turkey and trimmings, Asst. Principal Mr. I. P. Daniels, the master of ceremonies, introduced other guests. Members of the faculty who gave short talks were Coach Harry Frieda, Principal Olice Winter, Mr. Earl Solem, Mr. Emil C. Rothe, and Mr. Leo Conahan. Co-Captains Jim Nauert and Ronnie Gutierrez also spoke a few words. The main speaker of the evening was George Wilson of the Chicago Bears Football Team, for many years a star player, now serving in a coaching capacity. He spoke to the team at length about football and sportsmanship. He answered questions and gave a very pleasing talk which was enthusiastically received. He offered to come to the next Lake View Banquet with a trophy for the team's player who showed most improvement. All at the banquet enjoyed listening to George Wilson, of the Chicago Bears.

After the talks, movies of the 1947 Rose Bowl Game were shown. This proved interesting to all present.

Track Team

Coach—Harry G. Frieda

Row 5—R. Hoffman, D. Sommerer, R. Bolls, T. Glavin, C. Guigley, W. Mathison, R. Gard, D. Cohen, P. Friedman.

Row 4—J. Bryden, D. Duffy, R. Smith, D. Smith, E. Archibald, R. Ratzig, H. Ditmar, E. Carlson, J. Reddy, J. Evans.

Row 3—Coach Frieda, J. DeCrooq, B. Johnson, D. Culver, R. Rodzig, H. Peterson, W. Allen, A. Simkus, R. Walker.

Row 2—D. Goeters, B. Heath, B. Birman, J. Acey, B. McKelvey, R. Marcus, F. Arceri, J. Stacey, S. Gabbo.

Row 1—N. Gleit, R. Keise, R. Gruber, D. Halonen, C. Devona, E. Kunze, I. Dall, N. Joseph.

Forty-four men answered Coach Frieda's call for track men. Although there are only two 4-year men on the team, many fellows have returned from Lake View's undefeated '47 season. A variety of stars captured points at every meet—notable among them being Goeters, Heath, Birman, Marcus, and Johnson. It is expected that the boys who are on this '48 squad will continue next season.

Our team defeated U of C 51-2/3 to 34-1/3. After a grueling conditioning period the squad has reached top form. They practice after school daily in the gym. Ranking leaders in the half mile are Birman and Heath. One of the city's finest pole vaulters is Marcus. A topnotch miler is Arceri. Goeters is holding top berth in the hurdles and high jump.

Row 1—L. Holmes, J. Anzalani, R. O'Connor, J. Norum, D. Estacion, N. Tallacksen, J. Martorano.

Our Basketball Team Shoots and Sinks 'em

After a lull of two seasons, Coach Guy L. Dickerson, who is starting his 29th season as coach of Lake View cagers, has brought his team back into the thick of action in the North Section race. The Juniors, in spite of the loss of their captain and high scorer, Jack Norum, are continuing their winning ways. After losing two consecutive heartbreakers to Lane and Roosevelt, they are back on the right side of the ledger and at this writing are in third place. Joe Martarano, Bob O'Connor and Don Estacion, are the outstanding scorers of the Juniors. They are capably supported by Larry Ascher, Larry Holmes, Jerry Anzolone, and Jerry Weiner.

Although starting off on the wrong foot, the Seniors, after losing three out of their first four contests, reversed the procedure and went on to win the next three out of four games by overwhelming scores. George Guilfoyle, 6' 3" center, leads the point parade with a 17 average. He is followed by Paul Eubanks and Gil Rosenberg who have 14 and 10 point averages respectively. Capt. Norm Goodman and Clarence Toepke perform at the guards, doing their bit in the scoring column and playing fine defensive ball. Jim Hay, Bob Thomson and Jim Bergusen were able replacements.

Power Acquired by Practice

RANGERS

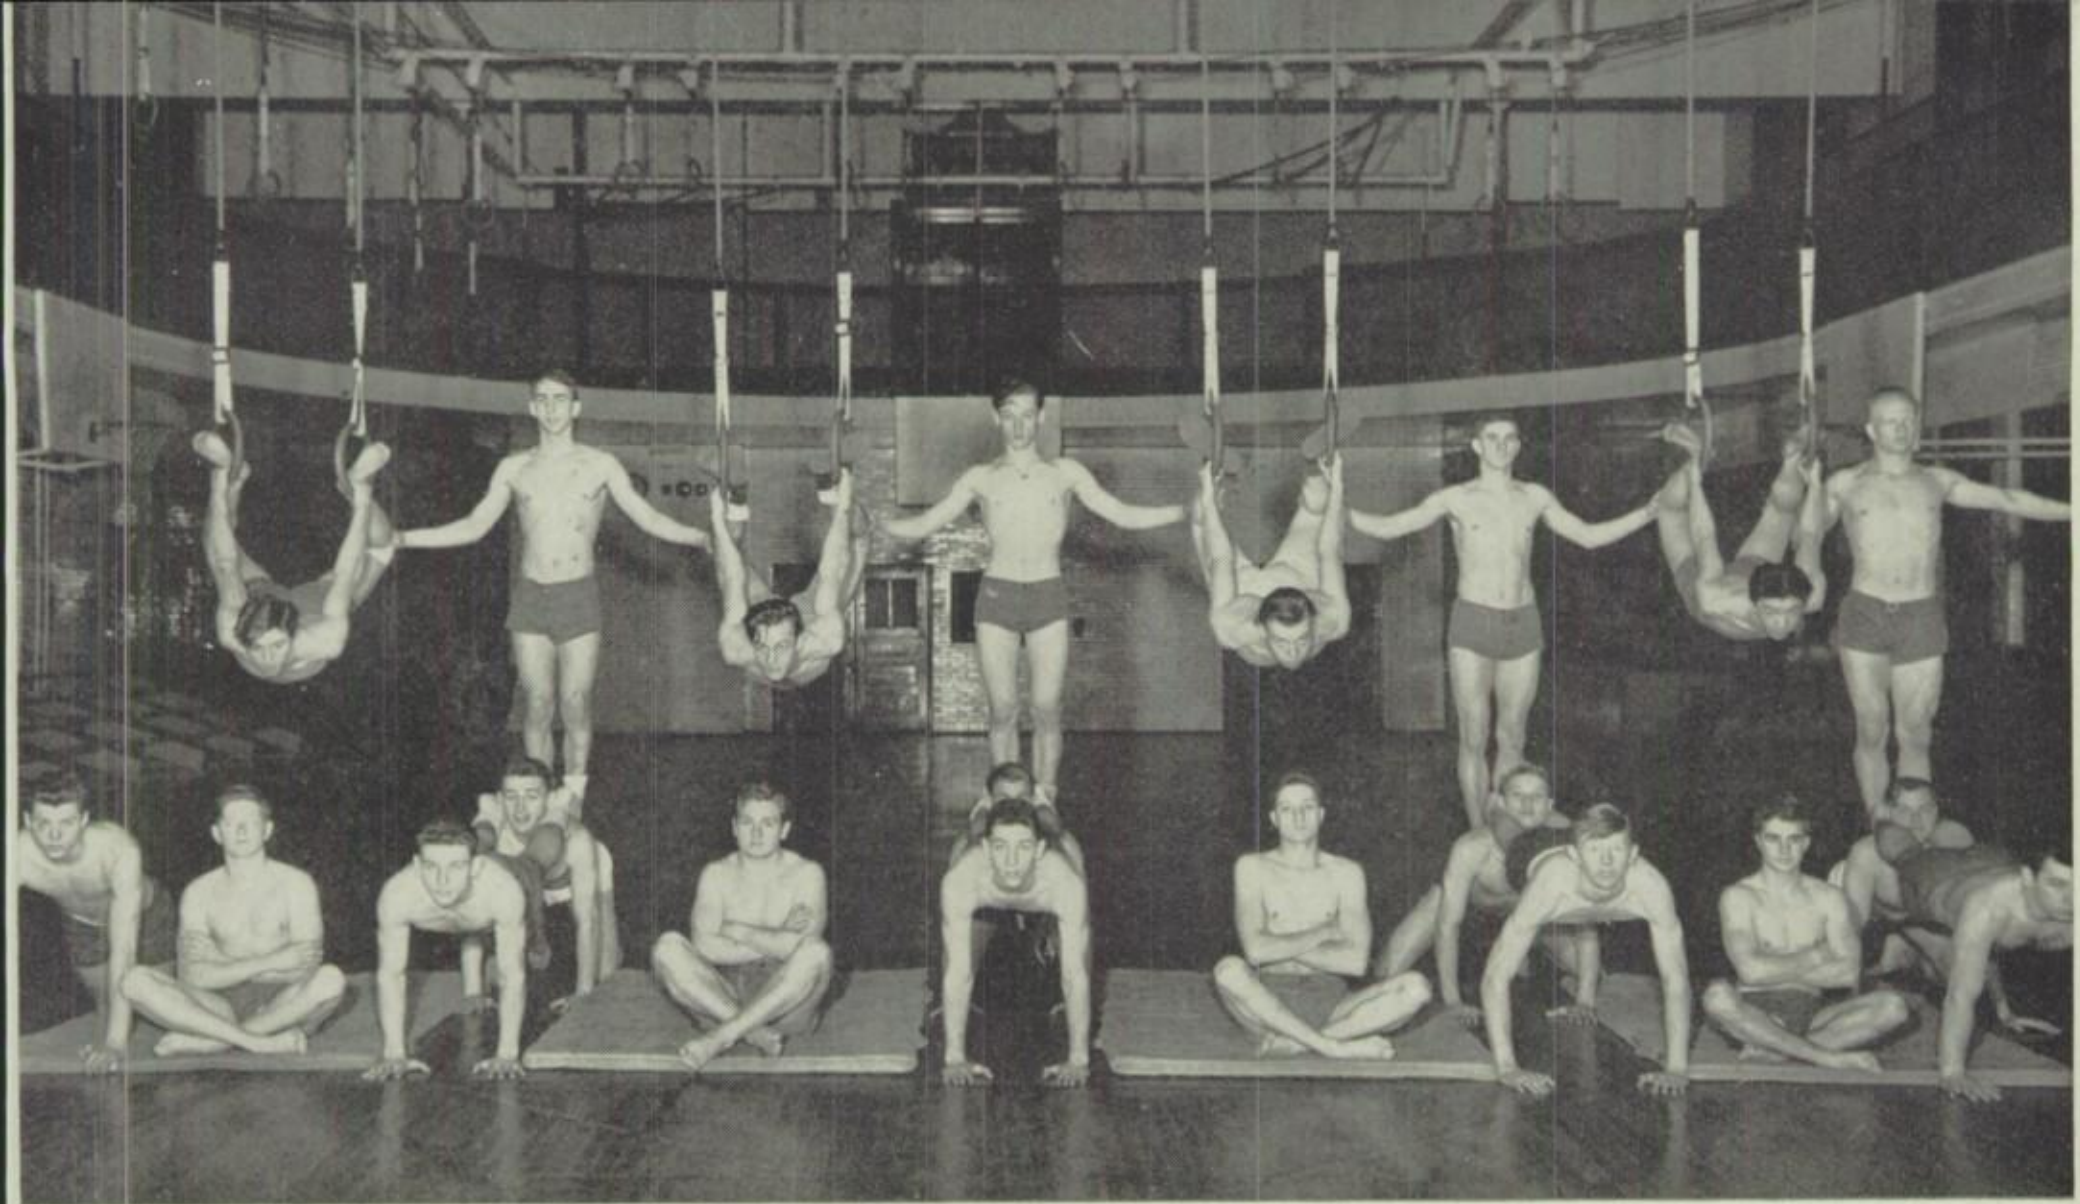

The Lake View Rangers, formed by coach E. C. Rothe, have been organized for five years. The purpose of the Rangers is to develop fine and healthy youths who are adequately equipped to assume the responsibilities of adult life. Our boys must pass strict physical tests, after which they are given certificates of membership. The Rangers have competitive teams, and trophies or shields are awarded the team which shows greatest achievement. The Rangers have done much to develop strong reliable youths of whom Lake View will always be proud.

Every semester the 4B and 4A boys are given athletic tests of all kinds; ladders, tracks, bucks, horses, and the like. On each of these tests he is rated, highest possible, 10 points, the lowest, 2.5 points. A boy, in order to become a ranger, must get more than 90 points in the ten tests.

This list contains the names of the boys who made the "WILDCAT RANGERS" for the year 1948:

Boys' Gym Classes Have Drive

We all desire physical well-being. We know that good health and good appearance go hand in hand and that health is a habit based on an intelligent understanding of bodily needs. Games relax our mind and body and give us increased vigor. Under the capable direction of Mr. Emil C. Rothe, Mr. Harry G. Frieda, Mr. Guy L. Dickerson, and Mr. Earl Carlson, we receive specialized drills which create strong, healthy bodies.

SENIOR SWIMMERS TAKE LAST THREE MEETS

The Senior swimming team excellently represented Lake View against Amundsen, defeating the Vikings 35-22. We gained firsts in the 100 yd. breaststroke (D. Smith), backstroke (Kuhlman), 200 yd. crawl (Ferguson), and med. relay (Kuhlman, Buckingham, and D. Smith). We also defeated Sullivan 42-15 with Speer and R. Smith supplementing the previously-mentioned stars. We were defeated 40-17 by Lane; but R. Smith and our med. relay team placed first. Against Senn we made a fine showing with 1st's by Kuhlman and the med. relay team; but lost 37-20. Our Juniors have not been as successful but hard work and perseverance are bound to show fine results in the near future. All of our support is necessary at the meets if our teams are to attain honors in future meets—so come out all you swimming fans and lead the team to victory.

OUR MERMAID KENNY COMPETES FOR OLYMPICS

Joy Kenny will represent the central and mid-western states in swimming in the Olympic tryouts in Detroit. To be a member of the Olympic team, which will swim in London in July, she must be successful in her competition in the 100 and 200 meter backstroke tryouts.

Joy has had much experience in real competition representing the Lake Shore Athletic Club in nearly all of their swimming meets. A champion in her own right, she holds the title for Junior Women in the 100 meter backstroke event, which she won last summer in Blue Island, Illinois.

Lake View wishes Joy the best of luck.

Our Femmes Have Determination

Another event which brought satisfaction was the party given by our G.A.A. girls for one hundred children at Chicago Commons, 955 W. Grand Ave. A program of tumbling acts, dancing and carols was rapturously received. B. Morton and A. Oglesby took the children to Santa Claus, who was impersonated by R. Daniels.

GRADUATED FROM LAKE VIEW 50 YEARS AGO!

Here is an interesting card that was received by Alumnex recently:

"39 Lloyd Road, Montclair, N. J. 5/11/48

"Dear Sirs:

"Fifty years ago next month I was graduated from Lake View High School. It is over forty years since I left Chicago, but I have often thought of my school days there and still recall many of my teachers and classmates. It is not likely that I can attend any class reunion that may be held, but I should be very happy to know if such a 'golden jubilee' is held and who of my 1898 classmates might attend. May I hope for such information?

"Very truly yours,

"Mrs. Florence Baldwin Winton."

William Jacklin, June '47, is employed by the U. S. Railroad Retirement Board in the capacity of Tabulating Equipment operator. He is planning to attend the University of Illinois at Navy Pier in September.

Elvira Metzdorf, June '47, is now attending MacMurray College. She is majoring in History with an Education minor.

Shirley Jean Nelson, June '47, is employed at Johnson & Harwood. To the question, "In what capacity?" she replied, "That's a good question; they don't know either." Shirley is engaged to Don Lee. We hope Don knows.

Charles N. Mueller, Jan. '47, is at present a student at Wright Junior College.

Miss Nilah Bergelle, Jan. '47, is working with the Encyclopedia Britannica as an I.B.M. key punch operator. She is engaged to George T. Dragin also a Lake View graduate. Dear Alumni:

Next year is Lake View High School's 75th Anniversary. We want the 1949 Red and White to be the grandest book Lake View has ever had. You can help. Send in a few little chatty news items about yourself or your classmates for the Alumnex section, of the 1949 Red and White. New items should be limited to about fifty words. Be sure to give accurately:

The Name
Graduation date
Present address.

What the person is doing
To whom married or engaged.

Each news item sent in must be accompanied by \$1.00 to help pay the cost of the Alumnex page.

"She's Too Fat for Me"

Well, why don't you take her to the Lake View Bowling Alley? Plenty of exercise will bring that waist line down, reduce that tummy and give her a new streamlined figure. (It does the same thing for men, too.) Notice the figures in the picture, neat and trim as can be. There's Hoffman, Dolores O'berg, Mel Bartholemew, Marge Mason, and Olga Alinkas and Ted Dolibois. Loads of fun at all times. A good way to spend a day.

Christensen's Riding Academy. It is a wonderful place to meet and be jolly. Big club room with a glowing fireplace—just a grand place to round up after a ride in the park and drink a coke, chat, and be gay. Christensen's is one of the oldest and best known riding academies in Chicago. Here you can take class lessons nightly if you wish. There are two indoor arenas where you can learn all kinds of riding, plain or fancy. Expert instructors. There are dressing rooms and lockers, a game room, and breakfast rides.

● NAMES IN YOUR DAILY LIFE!

In most every phase of daily living there is a need
for one or more of the products bearing the famous
names that are shown above. Collectively, they con-
tribute to the comfort, ease, and enjoyment of your
living; individually, they are products well founded
on years of experience in quality manufacture.

In your car, on the road, or in the confines of your
home there are many Stewart-Warner products at
your service, and in your community well known
dealers feature these products under their own names.

We are proud of our place in your community.

Nothing Is Built From the Top Down

Building plans may differ in many details but, whether it's a house or some other product, this they have in common . . . all are built from the bottom up.

Why, then, try to build a career without foundation? Why tempt fate by accepting such cheap theories as "It's not WHAT you know, but WHO you know"?

Education and energy, welded together with sincerity of purpose, may sound old-fashioned, but it still gets results.

You want to be modern, to be an individualist, you say. More power to you! Seize those new things that are good . . . Build, Build, Build onto those things which are time-proved . . . and we'll look for you

ODE TO A LAKE VIEW TEACHER

(Guess Who)

There are some that long for the soothing touch

Of lavender, cream, or mauve
But the ties I wear must have the glare

Of a red-hot kitchen stove.
Oh! the life I lead, and the books I read
Are sensible, sane, and mild.
I like calm hats and I don't wear spats
But the ties that I like are wild.
Give me a wild tie, brother,
One with a cosmic urge.
One that will rave, and rip and tear
When it goes with any good serge.
There are some that claim that a gent's cravat
Should only be seen, not heard;
But I long for a tie that will make men cry
And leave their vision blurred.
I yearn, I long for a tie so strong
It will take two men to tie it.
If such there be, just show it to me
And whatever the price, I'll buy it.
Give me a wild tie, brother,
One with a lot of sins
One that will blaze
With a hectic haze,
Down where the vest begins.

Alice In Wonderland?

Oh No! Student in Cheer Shop Land!

And she didn't have to go down a rabbit hole to get there either. Cheershop is so handy. Just dash across Irving Park and you're right there in the Cheershop. It is a cheer shop too, with two very cheerful persons to serve you—"Ruth" and "Dick" Ford, much better than the March Hare or the Mad Hatter.

They sell such cheerful things too, Greeting cards, Party supplies, Toys and School Supplies. Also Cheer Shop has a large rental library of popular books. Dash into Cheershop today.
